

A modern interior space featuring a wall with large, light-colored panels separated by dark, intersecting lines forming a geometric pattern. A dark vertical structure is on the left, and a dark horizontal base runs along the bottom. Linear lighting is integrated into the ceiling and the base of the wall. Two security cameras are visible on the ceiling.

PLANTILLES OSCILO AGB

TALL "DESAPARELLAT"

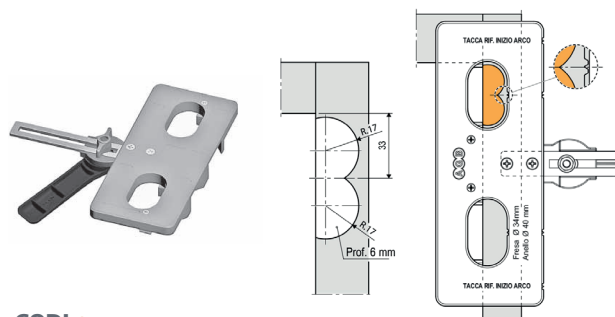

ARTech ofereix dos alternatives de tall del farratge. En la primera fase d'adaptació, la majoria dels fusters optaran pel tall "a ras", pel que serà important disposar sempre d'estoc de la placa de cobertura PLAC0404.

PICAPORT 12/45 DOBLE MOTLLA

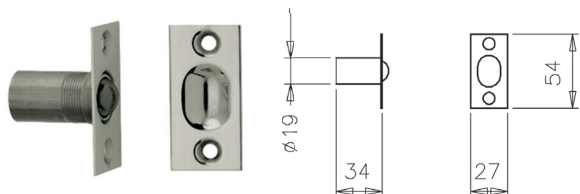

**PICAPORT 6/35/45**

Technical drawing of a metal bracket. The drawing includes three views: a front view, a side view, and a top view. The front view shows a rectangular plate with a central U-shaped cutout and two circular holes. The side view shows the bracket's profile with a vertical flange and a horizontal base. The top view shows the bracket's footprint with a central rectangular slot and two circular holes. Dimensions are indicated: a vertical dimension of 26 on the side view, and horizontal dimensions A and B on the top view. A vertical dimension of 22 is shown on the right side of the top view.
